 - b) Air consignment - 100 freight kilos / every exhibitor / every air freight consignment
3. Volume and weight conversion in airfreight rate is 6 cbm = 1000 kilo.
4. Cargo arrived beyond deadline, **an additional handling surcharge 30% - 50%** will be added to cover the additional cost, but it is not a guarantee the late-come exhibits arrival at the site in time.
5. Return exhibits can only be shipped out after the completion of customs clearance, which normally takes 14 working days, counting from the first working day after the move-out operation is done, to finish. Should exhibitor ask for priority or express service to accommodate its needs, **30% - 50% additional charge** on top of the official tariff will be requested to cover the extra effort spent; and the final decision is subject to the Customs' approval.
6. No unpacked cargoes without container are accepted.
7. All inbound shipments (sea freight, air freight, or road freight) must be consigned as per our consignment instruction and on "**FREIGHT PREPAID**" basis; otherwise we shall levy **5% commission** on the freight, which we pay on your behalf to the local carriers. The willingness of paying 5% commission, by exhibitors, is not the only criterion factored in BALtrans' discretion of accepting this request, subjected to BALtrans' final decision.
